PROFILE

I am an experienced Data Analyst with a strong background in analysis, visualization, and management. My technical expertise is complemented by my ability to translate complex datasets into clear, understandable, and actionable insights. My portfolio includes successful projects in ETL, data cleaning, modeling, statistical analysis, and dynamic dashboard creation, consistently enhancing business performance and decision-making. I am always eager to take on new challenges and apply my analytical skills to solve complex business problems.

WORK EXPERIENCE

DATA ANALYST INTERN
Ihifix Technologies
Aug 2023 - Jan 2024

- Collaborated on real-life procurement solutions for a government monitoring mechanism in Kaduna State.
